Unemployment Insurance

DESCRIPTION OF MAJOR SERVICES

This is a mandated program based upon a 1978 amendment to the California Unemployment Insurance Code extending unemployment insurance benefits to all public employees. Management's objective for the program is cost containment. Unemployment insurance claims filed by former county employees are monitored, reviewed for eligibility, and challenged when appropriate to prevent abuse of the program.

There is no staffing associated with this budget unit.

Salaries and benefits of \$3,959,100 represent anticipated unemployment claims to be paid during 2007-08. Due to the reorganization of the Human Resources Department, this budget unit will realize a decrease in administrative charges owed to the Employee Benefits and Services division. Therefore, the transfers for 2007-08 have decreased and the difference was moved to salaries and benefits to pay for potential claims.
